

The background of the entire page is a dynamic, abstract composition of red and blue paint splatters, streaks, and dots on a white surface. The splatters vary in size, from small pinpoints to larger, more diffuse clouds of color. Thin, dark lines, possibly from a fine brush or pen, crisscross the entire area, creating a sense of movement and spontaneity. The overall effect is reminiscent of Jackson Pollock's 'drip' painting technique.

# DEDICATION

Paul Lecouris retired in April After Seventeen years as Head Custodian of Clinton Junior High School. He had worked for twenty-eight years in the Clinton School District.

Paul and his wife Vera, a teacher at Mt. Pulaski, had four children, Karen, Kevin, Kim and Kent. All four of them attended Clinton Schools and graduated from Clinton High School.

During his years of service here, Paul could always be counted on to do his job efficiently and cheerfully. We will miss him at CJHS, but we wish a long and happy retirement to him and his family.

**GOOD-BYE PAUL  
& THANK-YOU.**
